Swimming updates for Year 2

Dear parents and carers,

It is with great regret that we are unable to offer Year 2 swimming lessons for the full two weeks. We have been informed by Cocks Moor Woods Leisure Centre today that the intensive two-week lesson blocks are not suitable for Year 2. We will be complaining to the management as we were not informed of this when we booked the sessions as we clearly stated they were for Year 2.

They will continue to swim on the following dates:	
3rd July	
4th July	
7th July	

Please accept our apologies and know that they will go swimming in Year 3.

It was noted that many of the children had no water experience and most children will continue to go for the next three lessons to build their water confidence.

I would advise parents and carers that it is a life-saving skill to be able to swim and that swimming lessons are most effective when followed by regular swimming sessions with parents or lessons run by professionals.

Kind regards,	
Mrs Owen
