Dear parents and carers,

STAY and PLAY—change of day and time.

Stay and Play will commence weekly after half term, beginning Tuesday 19th November, 9-10.40pm, run by Mrs Hind. It is for parents, carers and members of the local community with pre—nursery aged children to enjoy exploration in a nursery environment. There will be kosher snacks, fruit and water or squash for children with stories, songs and the chance to mix with other children. Invite your friends with young children. Entry via the Nursery.

SCHOOL FUND

Following the success of the cinema trip today, we would love to provide more opportunities for children to access the local area, including free access to many of our fantastic museums. Where we can, we want to use buses as it makes the trips affordable but we do need your support through paying school fund.

The British Film Industry screened ASTEROID free for schools and your contributions for the bus fare and popcorn made a school day truly memorable. Your children were SO excited, at the prospect of going on a BUS with a snack and then experiencing a highly educational film about ASTEROID hunters. Many just appreciated being out and seeing the wonders of our locality.

Pupil voice:

'I enjoyed the whole trip but my favourite bit was

learning about asteroids.'

Kyrah

'I loved the movie because science is one of my favourite topics and learning makes me better.'

Moris

'I was amazed to see the tall buildings because I am used to seeing small buildings in Moseley.'

Sare

While we appreciate how tough finances are for many families at the

moment, schools are also experiencing financial straits, and we are asking parents to donate £10.00 per family per term from or a donation if you are in receipt of free school meals.

Money can be paid online via school money in the same way trips and dinner money is paid for.
