25/11/24

Dear parents and carers,

Mitzvah Day is the UK's largest faith-led day of social action. On Sunday (24th November), people of all faiths and backgrounds will be coming together to make a positive difference to the world in which we live by giving our most valuable possession — our time. A Mitzvah is a commandment in Jewish law. However, it is often used to mean a good deed or an act of kindness.

We will be joining Year 4's special RE Mitzvah work and asking the whole school to kindly donate food or toiletry items. Please refer to the list below for the most sought-after items, although any contribution is warmly welcomed.

Donations can be dropped off at classrooms or at the main reception. All donations be made by **Friday 29th November by 2.15 pm.**

Tigers - Baby food, biscuits, cereals, dried pasta, long-life milk.

Giraffes - Pasta sauce, rice, shower gel, tea bags.

Eagles - Tinned fish, tinned vegetables, toilet rolls, cereal bars.

Dolphins - Long life juice, baby nappies, tinned soup, soap bar.

Bears - Tinned fruit, coffee, baby wipes, toothpaste/toothbrush.

Please help us make a meaningful impact on those in need.
